Sharing Fertility Awareness & Alternatives to Birth Control with your Clients

Brand: Heartbeat Academy
Product Code: 1398

Price: $14.95

Short Description
For a woman to grant informed consent for her healthcare, it is imperative she understand the healthcare option and how it works within her body. The women entering the doors of Pregnancy Help Medical Clinics are often using hormonal contraceptives with limited understanding of the contraceptive or its mechanism of action in her body. In this session, we will discuss how to empower women to make the most informed choice for their bodies and their healthcare, while sharing fertility awareness and alternatives to birth control.

Presented by Brooke Myrick and Kelly McCallister

Provider approved by the California Board of Registered Nursing, Provider Number CEP 16061 for 1.0 contact hours to nurses who complete all requirements.

Accreditation

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of Christian Medical & Dental Associations and Heartbeat International. The Christian Medical & Dental Associations is accredited by the ACCME to provide continuing medical education for physicians.

The Christian Medical & Dental Associations designates this enduring material for a

maximum of 1.0 *AMA PRA Category 1 Credits*™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
