What Boards Are Saying About Bryan:

“Our training was meaningful and eye-opening to some, and I heard a lot of positive feedback. **Bryan** was stellar in his performance! He left a very positive impression of Heartbeat International and opened everyone’s eyes to the many resources available there. Everybody loved him! This training puts our board on solid footing going forward and was one of the best decisions we made to invest our precious resources into such meaningful training.”

About Bryan:

Bryan, his wife, 9 children, 70 chickens, 1 lactating cow, 1 calf, 3 bee hives, 2 livestock guardian dogs, and a too many mice-chasing cats live on an acreage outside of Winterset, where he enjoys speaking Italian, wearing bib overalls, splitting wood, homeschooling his kids, and studying Latin. During the day, he enjoys Galvanizing and Enabling benefactors to support the life-affirming work of InnerVisions HealthCare. His favorite passage in Scripture is the 9th Beatitude: “Blessed are the flexible, for they shall not be bent out of shape”, which is an important fundraising principle for event planning.
