## **Professional Bio**

Haley Limo is the founder and president of Least of These Philanthropy, where she works with nonprofits by enabling them to reach their mission and goals through productive, profitable, and faith-based fundraising.

After having worked for many years for a multi-million-dollar secular nonprofit learning the art of fundraising and being the CEO of a pregnancy center, Least of These Philanthropy was formed out of a desire to bring the same type of support to smaller nonprofits from a Biblical perspective.

Focusing on major gifts, Haley desires to help her clients fund their missions so they can truly reach the “least of these.”

## **From Haley:**

I like to work specifically with smaller nonprofits to help them double and triple their fundraising efforts in a short amount of time. I love fundraising and I love the pro-life movement!

"Truly, I say to you, as you did it to one of the least of these my brothers, you did it to me." Matthew 25:40
