Welcome to the Academy

There is no university or college where you can earn a degree in pregnancy help work.

But there is the Academy.

No, not the one with the gold statue and the glittering red carpet scene, the Heartbeat International Academy.

The catalog you hold in your hands represents—under one cover—the breadth of learning designed by, for, and with pregnancy help leaders past and present. Each resource, whether written or virtual, print or audio, distance or on-site, represents proven programs, technical knowledge and collaborative wisdom for today’s all-important pregnancy help community.

Actually, the idea of “Academy” is handed down from the founders of Heartbeat International, when it was known as Alternatives to Abortion International. Originally, each annual conference was called “Academy” because its definition fit so well, “a place of study or training in a special field.”

Jor-El Godsey
President, Heartbeat International
OUR MISSION

Our life-saving mission is to Reach and Rescue as many lives as possible, around the world, through an effective network of pregnancy help to Renew communities for LIFE.

To achieve our mission, we do the following:

We REACH those who are abortion-vulnerable through Option Line’s® 24-hour contact center and cutting-edge website, www.OptionLine.org.

“Reach down your hand from on high; deliver me…”
Psalm 144:7

We RESCUE those who are reached through our life-support network of pregnancy organizations providing true reproductive health care, education, ministry, and social services where lives are saved and changed.

“Rescue me, O Lord, from evil men; protect me from men of violence. ”
Psalm 140:1

We RENEW broken cities around the world through the development of pregnancy organizations where abortion clinics are presented as the only choice for abortion-vulnerable women.

“He sent me to bind up the brokenhearted...to proclaim the year of the Lord’s favor... They will renew the ruined cities that have been devastated for generations.”
Isaiah 61:1-4

Heartbeat Affiliates: 3 Ways Option Line Works for You

1. **We share the financial load.**
   Every contact Heartbeat's Option Line® makes costs about $4.25. We refer an average of 42 contacts a year to each of our more than 2,000 listed pregnancy help organizations. That’s a value of $178.50 per year for your organization alone!

2. **We send her to your website.**
   On OptionLine.org, a client can search for a center near her. Each month in the past year, an average of over 200 searches on OptionLine.org have turned up your center. Our top-10 centers all averaged over 7,000 views in the last year, bringing women in desperate need of help face-to-face with your center’s information.

3. **We cover the phones 24/7.**
   Does your center struggle to cover the phones overnight? Option Line is your answer for overnight help. You can also forward your calls to Option Line when you can't cover a shift.
