Reaching the Post-Abortive with The L.O.V.E. Approach. A Search and Rescue Mission

Brand: Heartbeat Academy
Product Code: 1307

Price: $14.95

Short Description
This workshop equips pregnancy help staff, volunteers, and community leaders to effectively support both women and men impacted by abortion using the L.O.V.E. Approach—Listen and Learn, Open Options, Vision and Value, Extend and Empower. Participants will gain practical tools to navigate sensitive conversations, understand the emotional and relational effects of abortion, and create safe, supportive environments for healing. Through interactive teaching, discussion, and role-play, attendees will learn strategies to reach out with empathy, provide resources, and walk alongside individuals seeking restoration. Whether new to this area of care or experienced, this workshop offers actionable steps to extend compassion, understanding, and hope.

Presented by Michele Cheresnick
