Description
Do you often feel like a ship out to sea without a compass when it comes to strategic planning? Do you struggle to navigate choppy waters with out a clear course? If so, this training is for you!

A Strategic Plan is the anchor of an organization. It guides the mission and ensures the vision setting sail in the community. A great plan gets your whole team involved in accomplishing your organization's goals. This webinar can serve as a compass to chart the course for your organization so you can have a powerful strategic plan to follow forward into the future.
