Description
Pregnancy Help leaders are facing unprecedented pressure to protect mission integrity while leading teams through spiritual, cultural, and organizational challenges. Value-Driven Leadership: Kingdom Values = Kingdom Impact with Doreen Jansson is a powerful, Scripture-centered webinar designed to equip leaders to lead with clarity, courage, and spiritual authority. Through practical leadership strategies, biblical truth, and personal reflection, this transformational training helps leaders strengthen Christlike character, build healthy organizational culture, prevent culture drift, align hiring and decision-making with Kingdom values, and multiply mission-focused leadership throughout their organization. Participants will walk away with actionable tools to assess cultural alignment, develop values-based leadership practices, and lead their teams with greater integrity, confidence, and Holy Spirit-led influence—so their ministry impact remains strong, unified, and life-giving in the fight to protect life and advance God’s Kingdom.
