This training offers 1.0 contact hours for nurses who meet all requirements. Heartbeat International is an approved provider through the California Board of Nursing, Provider Number 16061.

Description

How can the ultrasound experience be the most impactful for our clients? There are many things we can do to create an environment in our centers that completely focuses on her. And there are things we can do to provide her the best images possible optimally using our ultrasound systems and our skills as nurses and sonographers. Join this webinar to learn some tips we recommend for the L.O.V.E. Approach to medical care from Tammy and Christa.
