A Physician's Perspective of the Physical and Mental Health Trauma on Women and Men After Abortion

Brand: Heartbeat Academy
Product Code: 1383

Price: $14.95

Short Description
Worldwide research confirms that Abortion can affect the Mental Health of Women and Men decades after an Abortion. Too often they are 'treated' without discussing the origin of the emotional pain. This physician will discuss why there is such a profound sense of loss, and what steps must be taken to bring true
healing.

Presented by Dr. William Lile

Provider approved by the California Board of Registered Nursing, Provider Number CEP 16061 for 1.0 contact hours to nurses who complete all requirements.
