Effective Patient Follow-Up

Brand: Heartbeat Academy
Product Code: 628

Price: $9.95

Short Description
1 hour recorded webinar.
Presented by Chris Schlesiger, Programs Director at Assure Women's Center.

Description
This presentation will focus on how Centers can effectively meet the needs of their most at risk for abortion patients AFTER their initial appointment. The proven effective practices discussed in this webinar focus on the intentionality of building upon the patient's in-office visit to help her make a life choice. Important metrics to track will also be discussed.

Presented by Chris Schlesiger, Programs Director at Assure Women's Center.
