Short Description

1 hour recorded webinar presented by Tammy Daughtry, Founder of CoParenting International

Description

In this recorded webinar, you will learn how to empower clients to reveal the pregnancy to their parents and support the unplanned grandparents by casting a vision of hope in the decision to choose life. We will also explore creative ways to invite grandparents into the support system to walk alongside a client and the client's partner, as well as inviting the client's partner's parents to the process.
