

Recruitment and Retention in a Medical PMC

Brand: Heartbeat Academy
Product Code: 792

Price: \$9.95

Short Description

Presented by Bryan Williams, MHA, RDMS, RVT, RCS, RT(R)

Description

This topic will cover recruitment and retention techniques that can be utilized to better enhance your team in the PHC. We will discuss ways to create pipelines for recruitment in a non-profit ministry setting. We will also discuss ways to connect quality outcomes and care to help retain limited staffing. Then we will discuss ministry advancement with volunteers vs fulltime staffing situations. Presented by Bryan Williams, MHA, RDMS, RVT, RCS, RT(R)
