

Standing Together Against Attacks

Brand: Heartbeat Academy
Product Code: 849

Price: \$14.95

Short Description

Presented by Jeremy Dys, First Liberty Institute

Description

A law intended to be used in support of abortion clinics provided a unique opportunity following the Dobbs decision to hold those who attacked pregnancy care centers accountable for their actions. Working with local pregnancy care centers, state attorneys general, and volunteer attorneys, we are standing against the attacks of those who would pick up a brick to express their disagreement with the pro life community.
