

# Attending to Miscarriage: Is it Missional?

**Brand:** Heartbeat Academy  
**Product Code:** 853

**Price:** \$14.95

## Short Description

Presented by Tricia Lewis, PhD, Reproductive Loss Network, Co-Founder, Educator

## Description

Despite the common occurrence of miscarriages, there is a lack of awareness, which leaves professionals, religious communities, and individuals without clear guidance on how to offer support. The main objectives of this workshop are to increase awareness about the significant impact of miscarriages, assess whether caring for individuals within pregnancy centers aligns with mission goals, and determine the most effective ways to address this growing concern with compassion, hope, and real help.
