

Bonding Differences in Men and Women - Women's Sexual Wellness

Brand: Heartbeat Academy
Product Code: 993

Price: \$14.95

Short Description

Presented by Dr. Joe Malone

Description

Empowering clients with sexual education and encouragement to live a healthier lifestyle is a key component of the overall work of pregnancy help organizations. Soon to be offered in the new release of Heartbeat's Women's Sexual Wellness handbook, learn how you can empower every woman with amazing scientific support that proves sexual wellness equals sexual integrity! The special focus of this workshop will feature a section of the handbook explaining the crucial biological reality of human sex differences, including the science of how men bond and fall in love differently than women.
