

Starting Right and Finishing Well

Brand: Heartbeat Academy
Product Code: 913

Price: \$14.95

Short Description

Presented by Betsy Wetherby, Heartbeat International

Description

Among critical HR activities that you manage as a leader, the onboarding and off-boarding process are key. How you welcome a new member to your team will set the stage for their success in their role and the success of your ministry. And, especially relative to transitions from your business, the care taken to help a colleague end well is similarly vital.
