

Creating Abortion Free Cities

Brand: Heartbeat Academy
Product Code: 919

Price: \$14.95

Short Description

Presented by Michele Hendrickson, Students for Life of America

Description

The abortion industry is poised to add “abortion rights” into state constitutions across the country impacting the work of Pregnancy Help Centers and local leaders in every state. Meanwhile, an average of 73% of our neighbors are unaware of their local Pregnancy Help Center? SFLA's Campaign for Abortion Free Cities provides leaders professional tools and methods that have been proven to change this disparity.
