

Birth Control Conversations in a Pregnancy Medical Clinic

Brand: Heartbeat Academy
Product Code: 858

Price: \$14.95

Short Description

Presented by Brooke Myrick and Teresa Tholany

Provider approved by the California Board of Registered Nursing, Provider Number CEP 16061 for 1.00 contact hour.

Description

Having an understanding of viewpoints surrounding birth control including medical facts and additional considerations can assist in conversations with clients regarding birth control. This presentation will include how common the use of birth control currently is in the United States and consideration of what birth control education is best for the client entering the doors of the pregnancy center. An application will include a discussion of various client scenarios and conversations that could be had with these clients.
