

Multidisciplinary Intensive

Brand: Heartbeat Academy
Product Code: 1225

Price: \$299.00

Short Description

The Institute of Reproductive Grief Care educates and equips healthcare professionals to provide evidence-based, trauma-informed, patient-centered care for those experiencing reproductive loss. Participation in this intensive course engages team members from across different disciplines to function cohesively in the provision of compassionate care for patients and families. This course equips care providers with a variety of effective communication modalities, cultural and spiritual competency skills, options for memorialization, practical applications, and personal self-care strategies to facilitate compassionate reproductive loss care.

Description

The Institute of Reproductive Grief Care educates and equips healthcare professionals to provide evidence-based, trauma-informed, patient-centered care for those experiencing reproductive loss. Participation in this intensive course engages team members from across different disciplines to function cohesively in the provision of compassionate care for patients and families. This course equips care providers with a variety of effective communication modalities, cultural and spiritual competency skills, options for memorialization, practical applications, and personal self-care strategies to facilitate compassionate reproductive loss care.

This course requires completing four on-demand courses and attending a pre-scheduled live webinar. The live webinar for this course offering is scheduled for June 11th, 2026.

Course published in 2025.
