

Individual Certificate: Reproductive Grief Care

Brand: Heartbeat Academy
Product Code: 1251

Price: \$495.00

Short Description

Reproductive Grief Care Certificate for Individuals is for those committed to offering the highest standard of compassionate care to those impacted by reproductive loss. A certificate is awarded to those who complete the Institute of Reproductive Grief Care specialized track of 8 online courses. After completion of these courses, individuals will have a foundational proficiency in reproductive grief care, be able to serve as an example of compassionate care, and be a resource for those in their community who have been touched by reproductive loss.
