

Empowering Student Leaders to Save Lives

Brand:
Product Code: 1110

Price: \$14.95

Short Description

This workshop's goal is to empower pregnancy center leaders to effectively reach students in their communities and turn the students into multipliers, creating self-sustaining teams in their own schools, universities, and communities. These teams establish on-going prevention through true love and pro-life education, in addition to crisis intervention through practical support for those in unplanned pregnancies in their community.
