

# When Perinatal Hospice Isn't Prolife

**Brand:** Heartbeat Academy  
**Product Code:** 1071

**Price: \$14.95**

## **Short Description**

This workshop will introduce participants to the new national network of Parent Care Coordinators serving parents carrying to term following a prenatal diagnosis and the related first-of-its-kind prolife prenatal diagnosis website managed by Heartbeat International ([prenataldiagnosis.org](http://prenataldiagnosis.org).) The limitations of perinatal hospice as a prolife response to prenatal diagnosis will be reviewed by way of published research.

Presented by Tracy Winsor
