

Obstetrics and Prenatal Health

Brand: Heartbeat Academy
Product Code: 1491

Price: \$29.95

Short Description

Client education is an important part of supporting your clients in their pregnancy. Discussing maternal changes, fetal development, prenatal testing, and childbirth are all key aspects of walking with your client and helping her understand what to expect during her pregnancy and delivery. This course will provide an overview of obstetrics and prenatal health education in a pregnancy help medical clinic.

Presented by:

Lisa Searle BSN, RN, LAS Healthcare Team Manager at Heartbeat International

Provider approved by the California Board of Registered Nursing, Provider Number CEP 16061 for 1.00 contact hour.
