

# Future of Social Work through Virtual-Care

**Brand:** Heartbeat Academy  
**Product Code:** 1441

**Price: \$14.95**

## **Short Description**

Dive deep into the transformative potential of having social worker or a trained case worker via telecare. This workshop seeks to equip participants with the understanding and tools to build a program that can effectively address the pressing circumstances many women face when considering abortion, while providing services both virtually and in-person.

Presented by Becky Gallagher and Annie Adamson
