The Back Door Approach

Brand: Heartbeat Academy
Product Code: 1309

Price: $14.95

Short Description
Abortion recovery is the back door approach to making abortion unthinkable and growing a donor base who have high interest in bringing help to the woman in crisis pregnancy and the woman suffering post abortion trauma. This session will cover the how's, and why's of the importance of this ministry being offered through PRC's. We'll also cover how to bridge to open communication with your local churches and how to do it.

Presented by Victoria Robinson
