The Power of Grace

Brand: Heartbeat Academy
Product Code: 1324

Price: $14.95

Short Description
This workshop aims to assist PRC counselors in effectively supporting clients who have experienced trauma by identifying overlooked issues and tactics clients use to conceal pain due to shame or guilt. Drawing from personal healing experiences, it offers practical strategies for building trust, encouraging openness, and creating a safe environment, especially for women hesitant to share sensitive experiences related to rape, abortion, or promiscuity, and includes case studies and a Q&A session for further learning.
