Impact of Abortion on Mental Health

Brand: Heartbeat Academy
Product Code: 1384

Price: $14.95

Short Description
This workshop will help the participant understand the ways in which abortion may negatively impact the mental health of women, potentially leading to deaths of despair. It will discuss the flaws and challenges affecting the peer-reviewed literature that have been misrepresented by pro-abortion media and medical organizations to give the illusion of consensus that abortion can present no mental health harm.

Presented by Dr. Ingrid Skop

Provider approved by the California Board of Registered Nursing, Provider Number CEP 16061 for 1.0 contact hours to nurses who complete all requirements.
