Short Description
Great things happen within our ministries when the relationship between fundraising and client services is genuine, strategic, and collaborative. Learn from an experienced client services and development duo who, despite great odds, were able to break down silos, foster cross-department collaboration, and ensure that everyone was engaged in achieving and exceeding their center's philanthropic goals. This fun and engaging workshop will give you the tools you need to create internal alignment and raise the funds you need to do the work God has called you to do.
