

Behind the Scenes: Systems That Transform Client Care

Brand:
Product Code: 1560

Price: \$9.95

Short Description

1 hour recorded webinar presented by Josh Cheresnick

Description

What happens behind the scenes shapes what happens in the client experience. From communication and documentation to workflows and follow-up, healthy systems can reduce frustration, improve efficiency, and help your team deliver consistent, compassionate care. In this practical session, discover how strengthening your organization's internal processes can create a better experience for clients, volunteers, and staff—and free your team to spend less time navigating broken systems and more time building relationships and providing life-changing ministry.
