Description

4x4 inch square, updated version of Getting Ready to Parent.

This brochure provides your client with 30 questions to ask herself before she makes the decision to parent. This is a great tool to help your client understand herself better, and her ability to parent at the present time.

Sample questions include:

-Do I want to give my child the love it needs?

-What kind of time and space do I need for myself?

-What do I do now when I am angry or upset?

-What does discipline mean to me?

-How well do I take care of my own health and safety?

Bundle of 50.
