

Options Based Approach to After Abortion Healing

Brand: Heartbeat Academy
Product Code: 61

Price: \$14.95

Description

Karin Barbito and Lisa Rowe will provide a presentation on the importance of an “options-based” approach to after abortion support and healing. They will review the current state of America’s after abortion programming, as it compares to newly released national research conducted by Shappard Research in conjunction with Janine Marrone and Heroic Media in 2019. Suggestions and tangible tools will be provided to help enhance the attendees ability to increase their capacity to help those who are hurting after abortion.
