

Effective Use of Fetal Models with Clients

Brand: Heartbeat Academy
Product Code: 5

Price: \$15.95

Short Description

In this session you'll join Beth Diemert to learn key tips on how to use this valuable tool to factually and relationally engage clients, as well as some key missteps to avoid.

Description

Fetal models can be a powerful tool to help reveal the truth of life being "fearfully and wonderfully made," yet so often our staff and volunteers aren't sure how to make the best use of them in their time with clients.

In this session you'll join Beth Diemert to learn key tips on how to use this valuable tool to factually and relationally engage clients, as well as some key missteps to avoid.
