Fertility and Tests

Brand: Heartbeat Academy
Product Code: 102

Price: $15.95

Short Description
This one hour training from Heartbeat Academy compliments The LOVE Approach training manual and online training.

Description
This course offers students a basic overview of women's fertility and how pregnancy tests work. It was designed to help volunteers and staff members feel confident in discussing fertility specifically related to a client's pregnancy concerns. This training compliments the "Fertility and Tests" section of The LOVE Approach Training Manual.
